A MESSAGE FROM THE PRESIDENT

"We at Babe Ruth Inc. are pleased to present to you the annual vendor's catalog. This catalog will be used as a way to pass down information to our leagues and at the same time establish a great way of communication between our leagues and each of our sponsors. Babe Ruth League Inc. works very hard to satisfy all of our leagues needs and we are very pleased with the "all-star" caliber team of sponsors we have behind us. Some of the best and most recognized names in the industry have helped support Babe Ruth which in turn makes it easier for Babe Ruth to support our leagues. It is important that our leagues support our sponsors to complete the circle and continue the success we have had in the past and hope to have for decades to come. The following pages will give you a great representation of who our sponsors are and what they have to offer. From equipment to insurance our sponsors have what you need"

BABE RUTH LEAGUE BASEBALL COACHES

Go Coach Baseball

Get your players from the dugout into practice activities and game situations quickly with Go Coach Baseball, developed by the American Sport Education Program (ASEP) and endorsed by Babe Ruth League, Inc.

Go Coach Baseball is ideal for youth baseball coaches (especially those less experienced) and first-time coaches seeking advice on teaching key baseball skills and organizing practices. More experienced coaches will also find the app valuable—especially the drill section—as will parents of players wanting to assist their kids in practicing skills.

Go Coach Baseball features

- content drawn from ASEP's *Coaching Youth Baseball* book;
- 32 video clips and 11 animations demonstrating 34 skills and 26 drills to organize and run your practices;
- an optional slow-motion video setting (requires OS 3.2 and newer) that allows you to view every detail of the skills and drills being performed;
- a Favorites feature that allows you to save skills, drills, and video clips in one central folder—a great tool for planning and organizing activities for your next practice; and
- supplemental coaching tips and advice, safety guidelines and checklists, and guidance on season and practice plans to help you manage team activities beyond the Xs and Os.

COACHES ARE THE KEY TO A POSITIVE SPORT EXPERIENCE

At Babe Ruth League, we believe there is no one single action that can have more of a positive impact on our players than improving the quality and knowledge of managers and coaches. Managers and coaches are the ones who spend the most time interacting with participants and the ones who can make a child's experience in youth sports fun and memorable. Babe Ruth League believes that effective youth coaches are properly trained to focus on children's baseball and softball experiences and less on winning games.

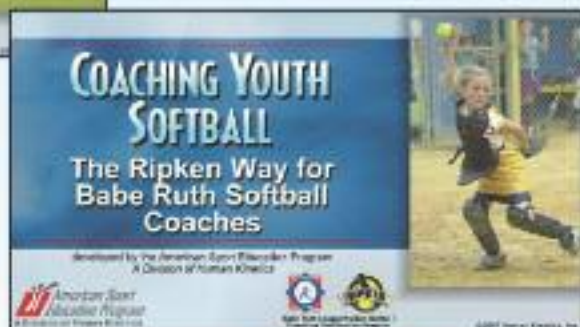

The Babe Ruth League Coaches Education Program

To provide this training, Babe Ruth League and Ripken Baseball have partnered with the American Sport Education Program (ASEP) to deliver online coaching courses specifically for Babe Ruth Baseball, Cal Ripken Baseball, and Babe Ruth Softball managers and coaches:

Coaching Youth Baseball: The Ripken Way for Babe Ruth Baseball Coaches

All Babe Ruth League rostered coaches are required to earn certification. The courses are self-instructional, self-paced and offered online for convenience. The cost is \$19.95 per course, and completion of the course grants lifetime certification with Babe Ruth League.

Coaching Youth Softball: The Ripken Way for Babe Ruth Softball Coaches

We appreciate your commitment to be a Babe Ruth League coach and to be the best coach possible for the kids you coach. Register for your course today!

Earn your certification at www.BabeRuthCoaching.org

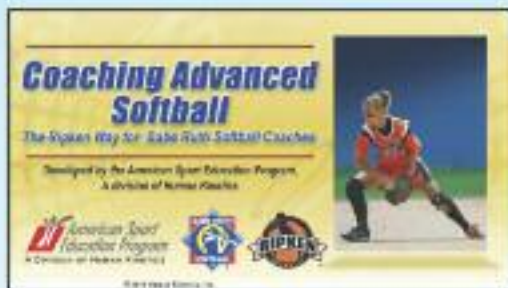

ADVANCED BASEBALL AND SOFTBALL COURSES FURTHER YOUR COACHING SKILLS

You strive to be the best coach you can be. You took your first step by completing the Coaching Youth Baseball: The Ripken Way for Babe Ruth Baseball Coaches or Coaching Youth Softball: The Ripken Way for Babe Ruth Softball Coaches online course to earn your certification. But your coaching education doesn't need to end there.

For even more in-depth information and analyses of the techniques and tactics of baseball, we encourage you to enroll in Coaching Advanced Baseball: The Ripken Way for Babe Ruth Baseball Coaches or Coaching Advanced Softball: The Ripken Way for Babe Ruth Softball Coaches.

Coaching Advanced Baseball: The Ripken Way for Babe Ruth Baseball Coaches

Coaching Advanced Softball: The Ripken Way for Babe Ruth Softball Coaches

Featuring a video introduction from MLB Hall of Famer Cal Ripken Jr. and led by course mentor Billy Ripken, the courses are aimed at improving player performance and in-game decision making:

- 11 units guiding coaches through technical and tactical skill demonstration, evaluation, and correction; traditional and games approach methods of coaching; and season and practice planning
- Nearly 100 video clips, sound bites, on-screen reading, Flash activities, end-of-unit quizzes, and a 40-question test to confirm mastery of the course content
- Sample practice plans, first-aid checklists, and drill sheets can be printed or saved for future reference
- A virtual game where you apply what you've learned to make tactical decisions that affect the outcome of the game.

The advanced courses are the ideal next steps for coaches who have completed the introductory certification courses and for experienced coaches who are new to Babe Ruth League and need Babe Ruth League coaching certification. Register today!

CPT™

CUSTOM GLOVED TECHNOLOGY

DEEP POCKET

Thumb-to-ring / little finger

Deep Pocket designs work best for the player who catches one-handed and wants a deep-breaking pocket. Pitchers, third basemen and outfielders typically choose gloves with deep pockets.

STANDARD POCKET

Thumb-to-index / middle finger

Standard Pocket designs were created for the player who catches with one hand and doesn't want a deep pocket. This is the most popular pattern for shortstops.

FLAT POCKET

Fingers-to-palm

A Flat Pocket design is utilized by fielders who consistently use two hands when fielding and desire a shallow pocket in order to get the ball out of the glove as quickly as possible. Flat patterns are widely favored by second basemen.
