

BABE RUTH BASEBALL AND CAL RIPKEN MAJOR/60

DETERMINATION OF POOL PLAY STANDINGS

In the Babe Ruth Baseball and Cal Ripken Major/60 World Series, competition will begin with a pool play format. Each of the two divisions (American and National) will play a pool play schedule as determined by Babe Ruth League, Inc.

As such, each participating team in the World Series will be guaranteed at least four games. At the end of the pool play schedule, the first-, second- and third-place teams of each division will advance to the single-elimination competition.

Pool play standings will be determined as follows:

- 1) WIN - LOSS RECORD

If still tied:

- 2) RESULTS OF HEAD-TO-HEAD COMPETITION

If still tied:

- 3) FEWEST RUNS GIVEN UP

Note: In the event of a three way tie, all three teams shall complete criterion #3 to determine seeding. If, after completing criterion #3, the three way tie has been broken and a two way tie still remains (i.e. two teams gave up the same number of runs), the two teams remaining tied will revert back to criterion #2 to break the two-way tie. If all three teams gave up a different number of runs, no tie exists and all teams shall be seeded at criterion #3. If all three teams gave up the same number of runs, proceed to criterion #4.

If still tied:

- 4) RUN DIFFERENTIAL WITH A MAXIMUM OF 10 PER GAME

Teams will be seeded at the beginning of the single-elimination competition according to the position they finished in pool play.

Pitching limitations start over at the beginning of the single-elimination competition.
