

2016 Promotional Catalog & Product Guide

<http://store.baberuthleague.org>

A MESSAGE FROM PRESIDENT/CEO STEVEN TELLEFSEN

Babe Ruth League has become one of the leaders in youth sports and it would not have been possible without our many dedicated volunteers who give over and over again of their time and resources. Our volunteers are the very foundation of our organization, and we can never say thank you enough.

We realize you rely heavily on the services and products offered by Babe Ruth League. This is why we work hard to address the demanding task our volunteers face each season to administer successful league programs and state organizations. With the Promotional Catalog and Product Guide, we are pleased to present you with a wide array of sponsors, prominent names in the youth sports industry, who are on hand to assist you with raising funds and saving money on uniforms, equipment, and other necessary essentials.

I wish each and every one of you much success and enjoyment during the 2016 season. Please note as you review the pages of the Promotional Catalog & Product Guide that Babe Ruth League has all of your bases covered, from fundraising opportunities to equipment to apparel to insurance.

2016 BAT RULES:

Cal Ripken Division - The bat may not exceed 33" in length, and the bat barrel may not exceed 2 1/4" in diameter. Only 2 1/4" barrel non-wood bats marked BPF 1.15 will be allowed. Wood 2 1/4" barrel bats are allowed.

13-15 Division - The bat may not exceed 34" in length, and the bat barrel may not exceed 2 5/8" in diameter. All aluminum/alloy barrel bats and all composite handle (only) aluminum/alloy barrels are allowed. Only composite barrel bats certified and marked BBCOR .50 will be allowed. Wood barrel bats conforming to the specifications of Official Baseball Rule 1.10 are allowed.

16-18 Division - The bat may not exceed 34" in length and the bat barrel may not exceed 2 5/8" in diameter or be greater than a -3 length to weight ratio. Only metal/composite bats certified and marked BBCOR .50 are allowed. Wood barrel bats conforming to the specifications of Official Baseball Rule 1.10 are allowed.

Babe Ruth League, Inc. - All Divisions - If any bat in Cal Ripken Baseball, Babe Ruth Baseball or Babe Ruth Softball cannot be clearly identified for its make and model to determine the barrel composition, then that bat should be removed from the game.

NEW ITEMS:

 USA Baseball, the national governing body for the sport of baseball in the U.S., in conjunction with participating national member organizations (NMOs) announced the decision to adopt a new method for measuring bat performance in the testing of youth bats. Informed by the research of leading scientists on the USA Baseball Bat Study Committee, and supported by its NMOs, -- including the American Amateur Baseball Congress (AABC), Amateur Athletic Union (AAU), **Babe Ruth Baseball/Cal Ripken Baseball**, Dixie Youth Baseball, Little League Baseball and PONY Baseball -- USA Baseball has concluded that recent advancements in science, engineering, technology, and the materials available to fabricate non-wood bats, now allow the manufacturers to construct youth bats that can perform at a wood-like level through the entire range of lengths and weights of youth bats.

The new USA Baseball bat standard (USABat), which will apply to bats that are classified below the NCAA and NFHS level of play, will be implemented on **January 1, 2018**, allowing the bat manufacturers sufficient time to bring these bats to the marketplace.

PRICES INCLUDE YOUR CHOICE OF BABE RUTH LEAGUE PATCH, SPECIFY WHEN ORDERING.**

There is now a new option for wearing the official Babe Ruth League emblem. Babe Ruth League, Inc. has approved a modified version of the shoulder emblem to be worn on headwear. This option makes it easier for players, parents and coaches because the headwear comes to you with the emblem already attached. You do not have to sew it yourself. You may choose any Major League Baseball or Minor League Baseball replica style and request it with the appropriate Babe Ruth League emblem.

COACHES ARE THE KEY TO A POSITIVE SPORT EXPERIENCE

At Babe Ruth League, we believe there is no one single action that can have more of a positive impact on our players than improving the quality and knowledge of managers and coaches. Babe Ruth League believes that **effective youth coaches are properly trained** to focus on children's baseball and softball experiences and less on winning games.

The Babe Ruth League Coaches Education Program

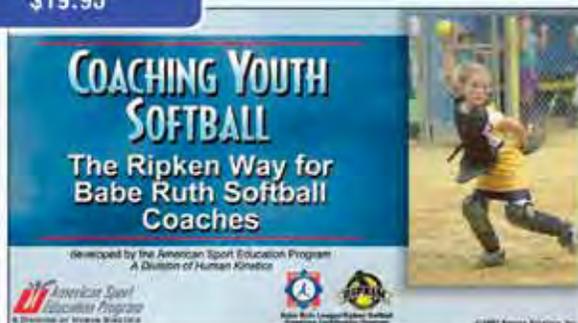

To provide this training, Babe Ruth League and Ripken Baseball have partnered with **Human Kinetics Coach Education** to deliver online coaching courses specifically for Babe Ruth Baseball, Cal Ripken Baseball, and Babe Ruth Softball managers and coaches:

All rostered coaches must complete either the introductory online course or the advanced online course to meet the Babe Ruth League coaching education requirement.

Introductory courses
\$19.95

We appreciate your commitment to be a Babe Ruth League coach and to be the best coach possible for the kids you coach. Register for your course today!

ADVANCED COURSES FURTHER YOUR COACHING SKILLS

You strive to be the best coach you can be. You took the first step by completing the Coaching Youth Baseball: The Ripken Way for Babe Ruth Baseball Coaches or Coaching Youth Softball: The Ripken Way for Babe Ruth Softball Coaches online course to meet the Babe Ruth League coaching education requirement. But your coaching education doesn't need to end there.

For even more in-depth information and analyses of the techniques and tactics of baseball, we encourage you to enroll in the online course **Coaching Advanced Baseball: The Ripken Way for Babe Ruth Baseball Coaches** or **Coaching Advanced Softball: The Ripken Way for Babe Ruth Softball Coaches**.

Advanced courses \$24.95

Featuring a video introduction from MLB Hall of Famer Cal Ripken Jr. and led by course mentor Billy Ripken, the courses are aimed at improving player performance and in-game decision making:

- 11 units guiding coaches through technical and tactical skill demonstration, evaluation, and correction; traditional and games approach methods of coaching; and season and practice planning.
- Nearly 100 video clips, sound bites, on-screen reading, interactive activities, end-of-unit quizzes, and a 40-question test to confirm mastery of the course content.
- Sample practice plans, first-aid checklists, and drill sheets can be printed or saved for future reference.
- A virtual game where you apply what you've learned to make tactical decisions that affect the outcome of the game.

The advanced course is for you if you've already completed the introductory course for the sport you coach and you're now looking to expand your knowledge and skills as a coach. Or, you're an experienced youth coach who is new to Babe Ruth League and you need to satisfy Babe Ruth League coaching education requirements. Register for your advanced course today!

BASEBALL APP FOR ON-THE-GO BABE RUTH LEAGUE COACHES

Go Coach Baseball

Get your players from the dugout into practice activities and game situations quickly with Go Coach Baseball, developed by Human Kinetics and endorsed by Babe Ruth League, Inc.

Go Coach Baseball is ideal for youth baseball coaches (especially those less experienced) and first-time coaches seeking advice on teaching key baseball skills and organizing practices. More experienced coaches will also find the app valuable—especially the drill section—as will parents of players wanting to assist their kids in practicing skills.

Go Coach Baseball features:

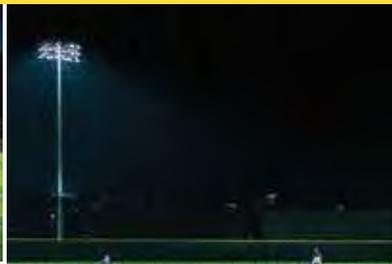

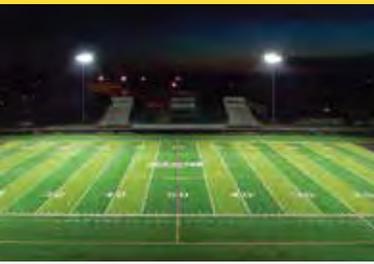

- content drawn from the *Coaching Youth Baseball* book;
- 32 video clips and 11 animations demonstrating 34 skills and 26 drills to organize and run your practices;
- an optional slow-motion video setting (requires OS 3.2 and newer) that allows you to view every detail of the skills and drills being performed;
- a Favorites feature that allows you to save skills, drills, and video clips in one central folder—a great tool for planning and organizing activities for your next practice; and
- supplemental coaching tips and advice, safety guidelines and checklists, and guidance on season and practice plans to help you manage team activities beyond the Xs and Os.
