MISSION STATEMENT OF BABE RUTH LEAGUE, INC.

The Babe Ruth Baseball/Softball program, using regulation competitive baseball and softball rules, teaches skills, mental and physical development, a respect for the rules of the game, and basic ideals of sportsmanship and fair play. In all aspects, Babe Ruth League, Inc. is committed to providing our participants the very best educational, sports experience possible. It is our fundamental belief that every child with a desire to play baseball or softball be afforded that opportunity.

Margie Wright, Fresno, CA	Retired, Fresno State Softball Coach

PEOPLE ARE TALKING ...

“Just as baseball is the sport of families, there is one baseball family. We ardently believe that the baseball family includes the fans, coaches, administrators and youth players of the Babe Ruth League and at all levels in the many communities where our game is played and enjoyed. Major League Baseball commends all of Babe Ruth Baseball’s participants.”

ROB MANFRED

Commissioner of Baseball

“Babe Ruth League is extremely grateful for the support Major League Baseball provides for all the young baseball and softball players of our country. I would also like to thank all the great volunteers in the Babe Ruth program. It is through their dedicated service to youth that Babe Ruth League is so successful.”

STEVEN TELLEFSEN

*President/CEO
Babe Ruth League, Inc.*

“It’s our goal that each youngster who plays in the Cal Ripken Baseball Division will not only learn the basics of the game, but will also experience the same level of excitement I felt every day when I put on my uniform and got ready to play. There’s nothing else like it!”

CAL RIPKEN, JR.

In Michael Jordan’s Words ...

“Even now, when people talk about my greatest thrill being the shot against Georgetown to win the NCAA title, I still think to myself that my greatest accomplishment really is the Most Valuable Player Award I got when my Babe Ruth League team won the state baseball championship.”

THE JORDAN RULES

by Sam Smith

CONCUSSION AWARENESS

When your family is protected, we all win.

At Nationwide®, our number one goal is being there for our members. That’s why we want to make sure your kids are protected — both on and off the field, and why we’ve teamed up with the Babe Ruth League to promote the importance of concussion awareness.

Recognize concussion symptoms if they happen.

Concussions are serious, especially because half of “second impact syndrome” incidents (sustaining another concussion before symptoms of the first subside) result in death.¹ Know the symptoms to look for if you suspect a concussion:²

- Appear dazed or stunned
- Headache, nausea or dizziness
- Trouble concentrating or memory loss
- Sensitive to light or noise
- Forgets instructions
- Is confused about assignment/ position
- Unsure about game, score or opponent
- Loses consciousness (even briefly)
- Unusual/ increased drowsiness

To learn more about a special discount for the **Babe Ruth League** parents or supporters and to get information about youth safety, visit nationwide.com/BabeRuthLeague or call 1-888-231-4870.

REGIONS OF BABE RUTH LEAGUE

This map illustrates the eight regions of Babe Ruth League, Inc. Each region is comprised of the state organizations.

The Local League Level

The foundation of the Babe Ruth program is the local league level. Each Cal Ripken Baseball, Babe Ruth Baseball, and Babe Ruth Softball league is organized within a community by a group of select people, who usually serve as a temporary Board until regular elections of officers can be held. State Commissioners help local leagues establish geographical boundaries—which are protected by Babe Ruth League, Inc.—from which to draw their players.

Babe Ruth local leagues operate with the spirit of democracy and with much autonomy. In addition, Babe Ruth League, Inc. provides materials to help leagues establish their own Constitution and By-Laws and plan meetings.

All league officers, managers, coaches, umpires and miscellaneous personnel should be volunteers from within the community and should be individuals who care about teaching the youth of their community the ideals of sportsmanship, fair play, respect for self and others and high morality.

The District Level

A District is an established area within a state that can consist of between five to ten leagues. A District Commissioner is a volunteer who operates the Babe Ruth program within each district according to the Babe Ruth Rules and Regulations, State's Constitution and By-Laws and its policies.

The District Commissioner assists the local leagues whenever needed. He/she holds several meetings per year to keep his/her leagues updated on the special programs as well as possible policy and rule changes. The District Commissioner serves as the local league's liaison with the State Commissioner.

The State Level

The District Commissioner reports to the State Commissioner. Depending on its size and the population of its leagues, a state organization may consist of an entire state or a portion of a state. State Commissioners are volunteers who operate the Babe Ruth program within each state organization according to the Babe Ruth Rules and Regulations as well as any applicable State-level by-laws and policies.

The State Commissioner is responsible for:

- Assisting local league officials when needed or requested by District Commissioners.
- Holding elections for District Commissioners elected by the local leagues within the respective district.
- Holding several meetings per year, including an election meeting where each District Commissioner votes for the State Commissioner; a meeting devoted to league eligibility for tournament play, as well as a complete review of all Babe Ruth Rules and Regulations for local league and tournament play; and meetings to review the special programs offered by Babe Ruth International Headquarters to address any District concerns and review possible policy and rule changes.
- Operating State Tournaments and working through his/her District Commissioners to make certain all leagues are eligible for tournament play.
- Presenting to the Regional Commissioner (the next level) for review all District concerns within his/her state in order that the state's recommendations are presented properly to Babe Ruth International Headquarters.

The Regional Level

The State Commissioner reports to the Regional Commissioner, of which there are eight. A regional organization consists of several states. A Regional Commissioner operates the Babe Ruth program

within each region according to the Babe Ruth Rules and Regulations and the program's policies and procedures.

The Regional Commissioner is responsible for:

- Assisting local league officials when needed or requested by District or State Commissioners.
- Holding one or two workshops per year where the operations of the region and the Babe Ruth program are reviewed thoroughly.
- Operating and administering the Regional Tournaments in conjunction with his/her Assistant Regional Commissioners.
- Presenting to Babe Ruth International Headquarters (the next level) for review any regional concerns and subsequent action.

International Headquarters

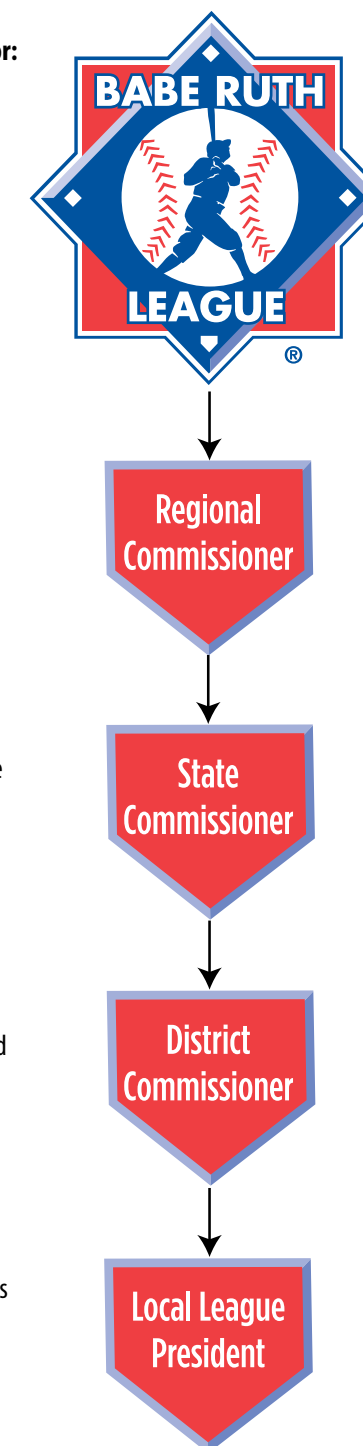

Elected by the Board of Directors is the President/CEO of Babe Ruth League, Inc. who leads the program's operation and administration. Full-time staff members (including the President/CEO) work with the program's volunteer network of over one million individuals to provide the very best educational, sports experience possible for participants.

The International Headquarters for the administration of Babe Ruth League, Inc. is located in Mercer County, New Jersey.

The Board of Directors

At the top of the chain of command is the Babe Ruth League International Board of Directors, including the President/CEO who directs the affairs and policies of Babe Ruth League, Inc. The eight Regional Commissioners serve as Board Members, along with eight "at-large" members.

GREAT FUTURES START HERE. DID YOURS?

Cal Ripken, Jr., Jimmy Rollins, Michael Jordan, Tom Selleck, Bruce Springsteen, Spencer Levin, Torii Hunter, Mike Piazza, Rob Gronkowski ... What do all of these people, and millions more, have in common?

They are all graduates and friends of a Babe Ruth League program.

While many have achieved particular distinction in fields such as entertainment, sports or business, the average alumnus/friend may not be famous. Most have achieved success by getting an education, raising a family, serving their country, pursuing a career or supporting their community.

Millions of kids have benefitted from participation in Babe Ruth League, Inc. since the first league was established in 1951. Babe Ruth League, Inc. has truly become a place of hope and opportunity for all young people ... male and female.

This is about welcoming you with an understanding of our mission, while tapping into the great resources that you and the other alumni and friends can provide.

Our Mission

The purpose of the Alumni Association is to advance the general welfare of Babe Ruth League, Inc. and to support the needs and mission of Babe Ruth League, Inc. through engaging alumni, friends and partners of Babe Ruth League, Inc.

We aim to help youth prepare to meet the challenges of adolescence and adulthood, as well as encourage their drive for personal excellence and achievement. Through special programs, activities, campaigns, scholarships and much more, the Alumni and Friends can help Babe Ruth League achieve these most important goals.

Why Join the Alumni Association?

- Because of the countless life lessons learned in between those white lines.
- Because of the friendships brought together and carried on for the rest of your life.
- You remember the moments of selfless acts of sacrificing glory for the good of the team.
- You remember getting so caught up in the game you nearly forgot to breathe.
- You look back fondly on your time involved with the Babe Ruth League program, whether as a player, manager, coach, commissioner or volunteer.
- And you would be especially proud to carry on the tradition of Babe Ruth League to make sure the program is available for generations to come.

Alumni & Friends ... Stay in the Game With the Babe Ruth League Alumni Association

The Babe Ruth League program began with a vision. Through group commitment, motivation and dedication, it has now become one of the leading youth baseball and softball programs in the world. The main goal will always remain the same ... TO PUT KIDS FIRST!

The Babe Ruth Alumni Association and Friends is a network of people who care and have a strong desire to succeed. Why? Because the youth of our country depend on us. That has been and will always be our driving force.

Contact the BRL Alumni Association at 1-800-880-3142 for further information!

We are asking all Babe Ruth League Alumni and Friends to Stay in the Game with the Babe Ruth League Alumni Association.

GEORGE HERMAN “BABE” RUTH . . . AMERICA’S BASEBALL LEGEND

Born: February 6, 1895 in Baltimore, MD
Died: August 16, 1948 in New York, NY
Height: 6’2” Weight: 215 lbs.
Threw and batted lefthanded
Married Clair Merritt Hodgson, April 17, 1929

When Babe Ruth left the game of baseball, the New York Yankees retired his number 3. He had become a legend and no one else could ever take the great Bambino’s place.

Ruth grew up in St. Mary’s Industrial School

in Baltimore. Taught how to handle a needle and thread, he was supposed to be a tailor, but Brother Gilbert suspected otherwise.

In 1914, he was signed by the Minor League Baltimore Orioles and shortly moved on to the Boston Red Sox before settling in New York with the Yankees. In a few seasons, it became clear that Babe Ruth was the best lefthander in the American League. But his dazzling record as a pitcher was soon eclipsed by his spectacular slugging.

Ruth broke record after record, each time setting new ones only he could equal. During his 22 year career, the Sultan of Swat hit 714 home runs, plus an additional 15 in World Series competition.

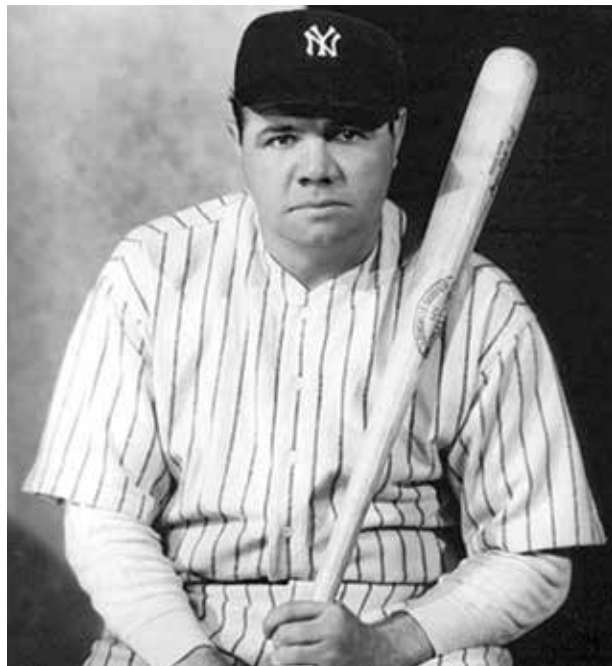

Babe Ruth gave baseball dozens of new records; but more importantly, Babe gave the game the warmth and color of his own personality. The Bambino singlehandedly launched big-time baseball into a new era of glory.

CAL RIPKEN, JR. - 2007 NATIONAL BASEBALL HALL OF FAME INDUCTEE

Cal played the game the way it was meant to be played – every day. He played a record 2,632 consecutive games, earning the nickname Iron Man. For this reason, fans and major leaguers from around the country admire and respect him. Cal, Jr. is one of just eight players in a history to amass more than 400 home runs and 3,000 hits. Selected to baseball’s All-Century team, this two-time Gold Glove winner and 8-time Silver Slugger Award Winner, was a terrific all-around player. Twice the American League’s Most Valuable Player, he and his fellow Oriole teammates made their hometown of Baltimore proud when they clinched the title of 1983 World Series Champions.

To top off a career that others can only dream about, on January 9, 2007, Ripken received the highest honor of recognition . . . election into the National Baseball Hall of Fame.

VERNON “LEFTY” GOMEZ AWARD - VOLUNTEER OF THE YEAR

This award was established in 1991 to recognize and to pay tribute to an outstanding volunteer in the Babe Ruth Program. This award is made in honor of the late Vernon “Lefty” Gomez, a twenty-five year member of the Babe Ruth League, Inc. Board of Directors.

THE BABE RUTH LEAGUE

EXPERIENCE

ABOUT BABE RUTH BASEBALL AND CAL RIPKEN BASEBALL, A Division of Babe Ruth League, Inc.

CAL RIPKEN DIVISION (4-12)

In April of 1987, Cal Ripken, Sr., Cal Ripken, Jr. and Bill Ripken took the field together—not as father and sons, but as manager and players. This was the culmination of a lifelong journey that took the Ripken family from the youth leagues to the major leagues. From the very beginning, it was evident that Cal, Jr. and Bill would follow in their father's footsteps, always listening and learning while Cal, Sr. talked about the finer points of the game. Cal Ripken, Sr. was a father figure and mentor not only to his own sons, but to a multitude of players and coaches.

As a player, coach, and manager in the Baltimore Orioles organization for over 37 years, he will be forever recognized with developing and teaching the fundamentals of playing the game of baseball the right way—"The Ripken Way."

Cal Ripken, Sr. passed on his ideals and passion to his sons: "The Ripken Way". The approach combines developing and strengthening the fundamental skills of baseball and athletic conditioning with the equally important virtues of work ethic, practice and an understanding and love for the game. Cal Ripken, Jr. and Babe Ruth League have always shared a common vision: To provide every youngster the opportunity to play baseball and have fun. Teaching them to play the game "The Ripken Way" will assure accomplishment of this goal. In 2000, Babe Ruth League, Inc. and Cal Ripken, Jr. came together to introduce Cal Ripken Baseball, A Division of Babe Ruth League, Inc. for baseball players 4 through 12 years of age.

ROOKIE LEAGUE

Dr. Bobby Brown, former President of the American League, with the help of Babe Ruth Baseball, established "Rookie Leagues"

throughout the nation in hope of getting more youngsters playing baseball.

Rookie League is designed for players seven through nine years old. A pitching machine is used to speed the games along using softer baseballs to help reduce the fear factor. There is a fourth outfielder and a fifth infielder and all twelve players on the roster are placed in the batting order. The games are six innings in length and are played on a standard youth field on sixty foot base lengths. The pitching machine is placed forty-six feet from home plate.

The program became part of the Cal Ripken Division in 1987 and has enjoyed steady growth.

The program gets high praise from coaches, players, parents and league officials. Accolades of "fantastic," "it's great fun," "my kids enjoy it," "players learn quicker," "very few players quit" are heard around the ball fields of the Rookie League.

For further Rookie League information, contact Babe Ruth International Headquarters.

13-YEAR-OLD PREP LEAGUE

In an effort to encourage more participation in the game of baseball, the International Board of Babe Ruth League, Inc. approved at the beginning of the 1976 season the use of the Babe Ruth Baseball 13-Year-Old Prep League.

Under the Prep League rules, the team rosters must be comprised of all 13-year-old players and shall consist of no fewer than 12 players and no more than 15 players. In order for the Prep League to be accepted by Headquarters, the local parent program must be a chartered Babe Ruth Baseball 13-15 League.

ABOUT BABE RUTH BASEBALL AND CAL RIPKEN BASEBALL, A Division of Babe Ruth League, Inc.

Studies have shown that many young players lose interest in the game of baseball because of not getting a chance to play in games once selected for an organized team. In addition, it has been found that players have expressed fear in competing with 14- and 15-year-old players who have already experienced one to two years playing on the standard 90-foot diamond.

With the Babe Ruth Baseball Prep League, the 13-year-old player now has that chance to play with his peers, thus avoiding the possibility of his losing interest in playing baseball. Babe Ruth Baseball also features a 13-Year-Old World Series.

13-15 DIVISION

Babe Ruth League, the group for 13-14-15 year old players, was founded in 1951.

Each local league chartered is an organization with authority to administer its own program within the framework of the Rules and Regulations and guidance of Babe Ruth League, Inc. officials.

Each state, province or territory in the 13-15 division is operated by an elected State Commissioner, and in most states, there are District Commissioners who assist the State Commissioner with his many duties. (Some states, with approval from Headquarters, also receive the assistance of Area Commissioners).

In turn, the states are grouped into eight regions with a Regional Commissioner to oversee the Regional operation. These Regional

Commissioners also serve as members of the International Board of Directors of Babe Ruth League, Inc.

Teams from each league are eligible to enter tournament competition and move along the tournament trail to the championship tournament—the World Series.

16-YEAR-OLD PREP LEAGUE

Babe Ruth Baseball in its efforts to continue to provide an ongoing learning process for its players, enters the twenty-third year of a Prep Program for sixteen-year-olds.

Under the league rules, the team rosters must be comprised of all 16-year-old players and shall consist of no fewer than 12 players and no more than 18 players. In order for the Prep League to be franchised, the local parent program must be a chartered 16-18 Babe Ruth League. The sixteen-year-old prep leagues' primary objectives are to keep the players involved in organized baseball and continue to learn and improve their baseball skills.

Without a sixteen-year-old Prep Program, most sixteen-year-olds receive very little game experience and eventually lose interest in baseball.

The 16-year-old division should open opportunities for leagues to add teams to their existing programs and more players to compete in tournament play.

16-18 DIVISION

16-18 Babe Ruth Baseball was born in 1966 and has increased steadily since its inception. The 16-18 division is designed to provide organized regulation baseball competition for 16, 17, and 18-year-old players as a development plateau where they can continue to learn and practice those principles which will help carry them through to a satisfactory and productive adulthood.

The 16-18 division was organized because Babe Ruth League, Inc. was aware its job was far from completed by providing for 13, 14, and 15-year-old players. No organization was making available similar opportunities for young players once they had surpassed the 13-15 Babe Ruth Baseball age. The 16-18 division was designed to fill a void much the same as the Babe Ruth 13-15 division had filled a similar gap when it became a reality in 1951.

In the 16-18 division, which is played under regulation baseball rules, can be found the opportunity to practice the ideals of sportsmanship, fair play, high morality and democratic spirit which the participant has learned at the 13-15 Babe Ruth level. The main objective of the 16-18 division is to provide a community-level program which eventually gives the players an opportunity to participate in the 16-18 World Series.

The 16-18 division has rapidly gained much attention and respect from college baseball coaches and major league scouts as an outstanding feeder program for future collegiate and professional baseball players.

BAMBINO BUDDY-BALL

Babe Ruth League believes that every child should have the opportunity to participate in baseball or softball. The Bambino Buddy-Ball League helps to make that dream a reality for physically and/or mentally challenged ballplayers.

With the help of a special "buddy" to swing a bat, round the bases or catch the ball, ballplayers are able to experience the thrills of the game.

The Bambino Buddy-Ball League is designed to foster confidence and self-esteem, make memories and have fun. An emotionally rewarding experience for all, "buddies" achieve satisfaction from their involvement while athletes benefit from the opportunity to participate in organized sports, physical fitness, and social events and outings.

Babe Ruth League, Inc. is a non-profit, educational organization dedicated to serving all youth, both boys and girls. Since its inception in 1984, Babe Ruth Softball has shown tremendous growth. It has become a premier softball program throughout the United States and Canada.

Babe Ruth Softball is designed for the girls ages 4-18. Age Divisions that are offered are 6U, 8U, 10U, 12U, 14U, 16U and 18U. Leagues are encouraged to organize optional 10U teams within the 12U division, and 14U teams within the 16U division, but are not required to do so.

The primary emphasis of Babe Ruth Softball is on the local league season: education, skill development, participation for players at all levels of athletic ability, and to ensure the participants have FUN.

Babe Ruth Softball's structural hierarchy evolves from the very heart of the program: the local league. Local leagues are organized into districts. Districts report to the State level. States are grouped into eight regions. Volunteer District, State, and Regional Softball Commissioners provide guidance and direction for the areas under their jurisdiction.

Leagues chartered with Babe Ruth Softball operate with simplicity, democracy, and much autonomy within the framework of Babe Ruth League, Inc. rules and regulations. Leagues are formed within defined and registered geographical boundaries. Dual-participation may be allowed at the local league's discretion. Babe Ruth League, Inc. places no undue restrictions on the local league, a fact that sets it far apart from all other programs.

A highlight of Babe Ruth Softball is its annual tournament trail. Tournament teams from each local league are eligible to participate in District competition with winners advancing to the State and Regional levels. In 1999, Babe Ruth Softball debuted its first 12U World Series and 16U World Series. Eight regional champions from across the United States and Canada compete in each World Series.

In 2015, the World Series was expanded to the 8U, 10U and 14U age levels. Teams will either earn a berth to the series in these age groups by being a Regional Champion or they will be winners of a National Qualifier that is hosted by the state they reside in.

The World Series format begins with pool play competition, followed by either a single or double elimination bracket to determine the World Series Champion.

Strike out
major league
stains.

**Remove Stains from
Dirty Uniforms**
Pre-Soak Tough, Dried-In Stains!

- Dissolve OxiClean™ Versatile Stain Remover in warm water as directed on package.
- Add stained items and soak for 1-6 hours.
- Wash as you normally would, with detergent and OxiClean™

OxiClean™ is free of chlorine bleach and is safe & effective on whites and colors. So soak your multi-colored uniforms with confidence!

(For complete instructions, refer to directions on packaging.)

OxiClean™ Gets the Tough Stains Out.

2018 CAL RIPKEN 10-YEAR-OLD WORLD SERIES - VINCENNES, INDIANA

In the winter of 1779, Col. George Rogers Clark marched a small army of soldiers across the flooded plains of Illinois and surprised a British garrison at Fort Sackville in Vincennes on the banks of the Wabash River. The British surrendered in what turned out to be the westernmost battle of the American Revolution.

Almost 240 years later, Vincennes will again be a battleground of sorts when 10-year-old baseball teams gather to settle the 2018 Cal Ripken 10-Year-Old World Series. Like Clark's army, these teams will have endured much on their marches to reach Vincennes.

Following the Revolution, Vincennes continued to play an important role in American history. Indiana's oldest city served as the first capital of the Indiana Territory from 1800 to 1813. William Henry Harrison, who later became the ninth President of the United States, was the Governor of the Indiana Territory, and he lived in Vincennes from 1800 to 1812.

Today, Vincennes has become another capital of sorts—a capital of Babe Ruth Baseball. This year marks the sixth time that the city has been the host for a World Series. Vincennes Cub League first hosted the 12-year-old series in 1998. The 12's returned in 2001, the year that Cub League also served as host for the inaugural Cal Ripken 10-Year-Old World Series. Cub League and Vincennes remain the only ones who have turned the World Series double play in the same year. The 10's returned for the 2004 and 2007 World Series.

Vincennes' historical legacy lives on with the impressive George Rogers Clark National Park, located along the river near downtown, and the Harrison Mansion, which is beautifully maintained on the campus of Vincennes University.

A third monument, a monument to baseball, is also in Vincennes. It's Joe Bilskie, Sr. Field at Cub League. Bilskie Field is one of the finest facilities for youth baseball to be found anywhere. This year marks the 60th anniversary of Cub League, and it is fitting that Babe Ruth Baseball has again singled out Vincennes as the host for a World Series.

All is in readiness for another historical moment in Cal Ripken Baseball. Another champion will be crowned in Vincennes this August. The city is prepared to greet the special teams and their fans and families who will visit Indiana's first city for this exciting occasion.

2018 CAL RIPKEN MAJOR/60 WORLD SERIES - PHENIX CITY, ALABAMA

Phenix City, Alabama is extremely proud and excited to host the 2018 Cal Ripken Major/60 World Series at the Idle Hour Sports Complex, located less than a mile off of US Highway 80 on Airport Road, next to the beautiful Chattahoochee River. The complex is built on top of what used to be Phenix City's airport, but is now the home of four Phenix City youth sports leagues.

The Idle Hour Sports Complex features five baseball fields, along with four softball fields, and is just down the road from Moon Lake at Martin-Idle Hour Park, which is surrounded by a 3/4 mile finished walking track and a paved—dog friendly—nature trail.

Phenix City is overflowing with fun activities and events for World Series participants, their families and fans. Whether they prefer adventures like rafting the Chattahoochee River on the World's longest urban Whitewater Rafting course, then flying through the trees on the Blue Heron Zip Line and Aerial Course; or prefer to slow it down by visiting one of the area's great museums and shopping centers, Phenix City has what they need.

Within five miles of the Idle Hour Sports Complex, someone can play a round of golf at Lakewood Golf Course, rent a bicycle to enjoy miles of Riverwalk riding, or try out the new 18-hole disc golf course located along the banks of the Chattahoochee. Fans of hiking, swimming, fishing or running should be sure to visit one of Phenix City's beautiful parks, then take a dip in the swimming pool at Phenix City's Youth Sports Complex or cool off in one of three splash parks throughout Phenix City. There's also the Coca Cola Space Science Center in nearby Columbus,

GA, that innovatively combines education and entertainment to promote science exploration and discovery.

Speaking of Columbus, it is located just across the river and it's the third-largest city in Georgia. Those who can't find what they're looking for in Phenix City can surely find it in Columbus. If not, Auburn University and the Tigertown shopping center are

just a half-hour away.

For more information, please visit the Phenix City tourism website at www.visitphenixcity.com.

We're really looking forward to hosting this great organization along with all of the wonderful participants and their families. We hope you'll enjoy your stay!

2018 CAL RIPKEN MAJOR/70 WORLD SERIES - BRANSON, MISSOURI

In 2018, the All-American city of Branson, Missouri will host the Cal Ripken Major/70 World Series. All games will be played at Ballparks of America.

Babe Ruth League, Inc., the Branson Convention & Visitors Bureau, the City of Branson, and Ballparks of America are teaming up to put together a *big-league* experience for the best 12-year-old baseball players in the world.

Branson, Missouri, located in the Ozark Mountains, has long been a popular destination for vacationers. There is an adventure awaiting everyone. In addition to the over 50 theaters and 100 live shows for which Branson is famous, such as the Presley Family Theater, the Andy Williams Performing Arts Center, the Starlite Theatre and the Showboat Branson Belle, there are many other local attractions to entertain every member of the family. Ripley's Odditorium is housed in a building that has been made to look as if it is cracked open wide by an earthquake, while the Titanic Museum is a half-scale replica of the famous ship and iceberg. Enjoy award-winning golf courses, the Hollywood Wax Museum, Silver Dollar City, the Runaway Mountain Coaster, Fritz's Adventure, Bigfoot on the Strip, the Sky Deck, Ziplines, museums, cave tours, horseback riding, pristine lakes and many other non-stop fun and entertainment opportunities.

Ballparks of America is the only facility to feature 2/3 replicas of five iconic stadiums spanning the history of baseball. They are patterned after several classic ballparks, including Busch Stadium, Wrigley Field, Tiger Stadium, Fenway Park, and Ebbets Field. Each field features the latest technology in synthetic turf for a more consistent playing surface, and has covered dugouts, bullpen areas, MLB-style team suites, and stadium quality lights.

2018 BABE RUTH BASEBALL 14-YEAR-OLD WORLD SERIES - EAGLE PASS, TEXAS

Eagle Pass, Texas, founded in 1849, is located on the border of the Rio Grande River only 55 miles downriver of Del Rio and 143 miles from San Antonio and is home to the historical Fort Duncan. It has two International Bridges across the United States-Mexican border that connects it to its Sister City of Piedras Negras, Coahuila, Mexico. Piedras Negras offers many fine restaurants, several museums and a market place with original curio shops.

Eagle Pass is the county seat of Maverick County and is served by the Eagle Pass Independent School District which has fifteen elementary schools, two junior high schools and two high schools. It is also home to branches of the Southwest Texas Junior College and the Sul Ross State University Rio Grande College, both based in Uvalde, Texas.

We have Desert Lanes Bowling Center, a Municipal Golf Course near the Rio Grande River, an aquatic center with an Olympic-size pool and, just outside the city limits is the Kickapoo Lucky Eagle Casino, the only casino in Texas.

While in Eagle Pass visit historical Maverick County Courthouse and the Eagle Pass Public Library, Civil War buildings in Fort Duncan Park and the beautiful old homes of Ceylon Street. For movie lovers we have Cinemark 7 at Mall de las Aguilas.

The 2018 14-Year-Old Babe Ruth World Series will be played at venerable Moncada Baseball Field at Fort Duncan Park. Come play with us, where Babe Ruth Baseball is a cherished tradition and memories and friends are made to last a lifetime. **Come visit Eagle Pass, Texas "Where Yee-hah meets Ole".**

2018 BABE RUTH BASEBALL 13-15 YEAR-OLD WORLD SERIES - LONGVIEW-KELSO, WASHINGTON

The cities of Longview and Kelso Washington are ready for another Babe Ruth World Series event. The area previously hosted the 1990 Bambino World Series, the 1997 Babe Ruth 13-15 World Series, the 2001 Babe Ruth 14-Year-Old World Series and the 2004 13-15 World Series, the 2009 13-15 World Series and the 2014 13-15 World Series. The citizens of both Longview and Kelso have a rich history of supporting the showcase events of Babe Ruth Baseball as this is the 7th World Series in 18 years.

Ideally situated between Seattle and Portland, Oregon, the Longview-Kelso area offers residents a comfortable, rural lifestyle rich with opportunities for year-round outdoor recreation. Residents are removed from urban congestion, yet are within an easy drive of the big Northwest cities.

Longview residents are proud of their tradition and heritage. A planned city, Longview was founded by Kansas City timber baron Robert A. Long who purchased 14,000 acres of Columbia River valley to build a lumber mill and accompanying town. Construction began in 1922 and by 1927 the town was mostly complete. Today, Mr. Long's vision has become reality, a unique blending of commercial, industrial and residential interests benefiting the entire area.

The 2018 World Series is also being hosted by the neighboring city of Kelso. The city is named for founder Peter Crawford, who hailed from the Scottish town of the same name. Kelso features a shopping mall, a historic downtown train depot, the Cowlitz County Museum and the official World Series hotel, the Kelso Red Lion Inn.

In Longview-Kelso, you are always close to a great outdoor experience. There are over 400 acres of public parks including Longview's crown jewel Lake Sacajawea, a 1.5 mile-long park in the heart of the city. The area is known for fishing, hiking and boating. As the gateway to the Mount St. Helens National Monument, the area has two visitor centers along the Spirit Lake Memorial Highway leading into the blast zone.

The 2018 Babe Ruth 13-15 World Series will be played at Story Field on the campus of Lower Columbia College in downtown Longview. The park is the home of the LCC Red Devils, who have won 12 championships since 1970. The infield is made of a one-year old AstroTurf synthetic surface including the batters boxes and pitching mound. The outfield is natural turf. The 2,000 seat park

features a party deck and a play area. The fence dimensions will be 306 down the lines and 390 to center field. Former major leaguers who played for LCC at Story Field are Rockies manager Buddy Black and Brewers AAA manager Rick Sweet. Story Field is also the home of the Cowlitz Black Bears in the West Coast League, a summer collegiate wood-bat league.

The Longview World Series Committee was formed back in 1989. The group of volunteers put together Longview-Kelso's six prior World Series events and they look forward to adding another great Babe Ruth showcase to its legacy.

2018 BABE RUTH BASEBALL 16-18 YEAR-OLD WORLD SERIES - JAMESTOWN, NEW YORK

In August of 2018, Jamestown will host its 17th World Series in thirty eight years as the Babe Ruth 16-18 Year Old World Series returns. In 1980, the first ever 13 Year Old World Series was held here and Jamestown is proud to welcome the event back here this summer. In 1999 Jamestown also hosted the first ever 12U Softball World Series. Jamestown also serves as the Babe Ruth World Series Training Center for cities who are interested in possibly hosting a future World Series.

All World Series games will be played at the 4,000 seat Russell E. Diethrick, Jr. Park — where baseball lovers watch the Jamestown Jammers, a member of the Perfect Game Collegiate Baseball League, each season. Jamestown is proud of its parks system which consists of 20 parks covering 540 acres of land, including ball diamonds, picnic areas, tennis courts, playgrounds, soccer fields and a riverwalk area. Jamestown has been awarded the “Tree City USA” designation by the National Arbor Day Foundation for 36 consecutive years.

Jamestown is located in the southwestern corner of New York State. It is 70 miles southwest of Buffalo, 40 miles northeast Erie PA, 140 miles north of Pittsburgh and is approximately half way between New York City and Chicago. It is at the base of picturesque Chautauqua Lake and serves as the regional hub for a diverse range of industrial and commercial businesses, along with a myriad of social and recreational opportunities. The city proper covers 10 square miles, and its highest point is approximately 1620 feet above sea level. The city maintains a population of approximately 31,000, within an urban area of 85,000 residents. Jamestown also serves as the center of a region blessed with an abundance of outstanding recreational opportunities, including hunting, fishing, boating, and camping within a few minutes of Allegheny State Park, Long Point State Park and Midway State Park.

Jamestown is fortunate to maintain a large variety of cultural facilities and activities for the enjoyment of residents and visitors alike. World renowned Chautauqua Institution, founded in 1874, continues to offer a vast assortment of religious, educational, recreational and artistic activities throughout its nine-week summer season. Beautiful Victorian architecture lines the quaint streets and quiet setting of this unique community along the shores of Chautauqua Lake.

With Jamestown being the birthplace of Lucille Ball, located in the downtown area you will find the Lucille Ball/Dezi Arnez Center including museum, gift center and original stages from the television series “I Love Lucy”. In addition, Jamestown is scheduled to open the National

Comedy Center in 2018. Also to be found in the downtown area is the Reg Lenna Civic Center, a 1250 seat, beautifully restored former vaudeville house offering a variety of musical, theatre, and community events; and the Lucille Ball Theater of Jamestown with the largest community membership theater in New York State. Within a short walking distance you will find the Northwest

Arena with twin rinks. In addition, the Robert H. Jackson Center is located on the outskirts of the Central Business District in Jamestown. Justice Jackson served as a United States Supreme Court Justice and was the architect if the international trial process and chief prosecutor of the surviving Nazi leaders at Nuremberg, Germany.

2018 SOFTBALL WORLD SERIES - TREASURE COAST, FLORIDA

Treasure Coast, Florida is proud to be the host of the 2018 Babe Ruth Softball World Series for all age divisions.

The pineapple is a recurring motif around Jensen Beach. The town's affinity for the spiny fruit can be traced back to 1879, when the first pineapple slips were planted by Capt. Thomas E. Richards at his Eden homestead. John Laurence Jensen immigrated from Denmark in 1881 and set up his pineapple plantation which eventually became the town of Jensen and Stuart. A mere 14 years later Jensen was shipping over 1 million boxes of pineapples each year during June and July earning the town “Pineapple Capitol of the World.” Hard freezes, fires and financial problems contributed to the industry's final collapse in 1920, but the legacy of this tropical fruit lives on in the signage, store fronts and residences of Jensen Beach/Stuart. This unique history is celebrated annually during the Jensen Beach/Stuart Pineapple Festival.

Parks & Beaches:

- Hutchinson Island Beaches
- Indian Riverside Park
- Savannas Preserves State Park
- Haney Creek Trail
- Langford Park
- Turtle Walks
- Indian River Drive
- Pineapple Park
