Everything you need to run your program!

**Looking Forward to
Another Exciting Season!**

OPENING DAY

LEGENDS IN THE MAKING

Hello and Welcome!

I hope this note finds you well and ready to hit the ground running—whether that's at the ballpark or in your everyday hustle! I wanted to take a moment to thank each and every one of you for being part of Babe Ruth League. Your passion, energy, and love for the game are what make our community so special. Whether you've been with us for one season or ten, we couldn't do it without you. I'm continually humbled by the dedication and hard work I see from players, coaches, volunteers, and families alike. You are the heart of this league, and we're here because of YOU.

As we look ahead, I'm beyond excited to announce that we'll be celebrating our 75th anniversary in 2026! That's right—75 years of home runs, double plays, and unforgettable memories. I can't think of a better way to honor the legacy of this league than by continuing to grow, evolve, and make new memories together. So, whether you're a seasoned vet or a rookie just stepping onto the field, get ready for some special times and celebrations as we mark this milestone. We've got big things in store, and we can't wait to share them with you. Here's to the next 75 years of baseball, camaraderie, and of course, fun!

Warmly,

PRESIDENT/CEO

BABE RUTH LEAGUE CHAIN OF COMMAND

THE REGIONAL LEVEL

The State Commissioner reports to the Regional Commissioner, of which there are eight. A regional organization consists of several states. A Regional Commissioner operates the Babe Ruth program within each region according to the Babe Ruth Rules and Regulations and the program's policies and procedures.

The Regional Commissioner is responsible for:

- Assisting local league officials when needed or requested by District or

State Commissioners.

- Holding one or two workshops per year where the operations of the region and the Babe Ruth program are reviewed thoroughly.
- Operating and administering the Regional Tournaments in conjunction with their Assistant Regional Commissioners.
- Presenting to Babe Ruth International Headquarters (the next level) for review any regional concerns and subsequent action.

THE DISTRICT LEVEL

A District is an established area within a state that can consist of between five to ten leagues.

A District Commissioner is a volunteer who operates the Babe Ruth program within each district according to the Babe Ruth Rules and Regulations, State's Constitution and By-Laws and its policies.

The District Commissioner assists the local leagues whenever needed. They hold several meetings per year to keep their leagues updated on the special programs as well as possible policy and rule changes. The District Commissioner serves as the local league's liaison with the State Commissioner.

THE STATE LEVEL

The District Commissioner reports to the State Commissioner. Depending on its size and the population of its leagues, a state organization may consist of an entire state or a portion of a state. State Commissioners are volunteers who operate the Babe Ruth program within each state organization according to the Babe Ruth Rules and Regulations as well as any applicable State-level by-laws and policies.

The State Commissioner is responsible for:

- Assisting local league officials when needed or requested by District Commissioners.
- Holding elections for District Commissioners elected by the local leagues within the respective district.
- Holding several meetings per year, including an election meeting where each District

Commissioner votes for the State Commissioner; a meeting devoted to league eligibility for tournament play, as well as a complete review of all Babe Ruth Rules and Regulations for local league and tournament play; and meetings to review the special programs offered by Babe Ruth International Headquarters to address any District concerns and review possible policy and rule changes.

- Operating State Tournaments and working through their District Commissioners to make certain all leagues are eligible for tournament play.
- Presenting to the Regional Commissioner (the next level) for review all District concerns within their state in order that the state's recommendations are presented properly to Babe Ruth International Headquarters.

THE LOCAL LEAGUE LEVEL

The foundation of the Babe Ruth program is the local league level. Each Babe Ruth League Division is organized within a community by a group of select people, who usually serve as a temporary Board until regular elections of officers can be held.

State Commissioners help local leagues establish geographical boundaries—which are protected by Babe Ruth League, Inc.—from which to draw their players.

Babe Ruth local leagues operate with the spirit of democracy and with much autonomy. In addition, Babe Ruth League, Inc. provides materials to help leagues establish their own Constitution and By-Laws and plan meetings.

All league officers, managers, coaches, umpires and miscellaneous personnel should be volunteers from within the community and should be individuals who care about teaching the youth of their community the ideals of sportsmanship, fair play, respect for self and others and high morality.

BABE RUTH BASEBALL DIVISION

Babe Ruth Baseball

Ages 13-18

For over 70 years, Babe Ruth League has been committed to providing our participants the very best youth sports experience possible. It is our fundamental belief that every child with a desire to play baseball be afforded that opportunity. Here's how Babe Ruth League puts you and your players ahead of the game.

Babe Ruth League prepares players for truly competitive level baseball in high school, college and beyond because our players are conditioned, from a young age, to play like the pros. Right off the bat, our "rookies" play on larger diamonds compared to other youth baseball programs. And all players 13 and older play on pro-sized fields, preparing them for an easier transition to high school and college ball.

- 90-foot diamonds
- Base leads and stealing
- 60'6" pitching
- Major league rules
- Local league as well as competitive tournament play
- Travel opportunities in BRL World Series

CAL RIPKEN BASEBALL DIVISION

CAL RIPKEN BASEBALL

Ages 4-12

Keeping baseball fun—especially in the early stages of youth baseball—is a main focus of Babe Ruth League's Cal Ripken Division, which is comprised of the following levels:

TEE-BALL:

Ballplayers ages 4-6 learn hitting and fielding fundamentals in a supportive team environment. Young athletes hit the ball from a batting tee which is height-adjusted for a level swing, batting in order through the line-up for the entire game.

ROOKIE:

Designed primarily for ballplayers ages 7-8, this division makes use of a pitching machine to allow for more hittable balls at the plate and more action in the field. In most regions, participants first experience post-season tournament competition in this level.

MINOR:

Recommended for ballplayers ages 9-10. Players build and refine their fundamental skills while beginning to understand game strategy and teamwork.

MAJOR/60:

This division is recommended for ballplayers ages 11-12. Features a 46' pitching distance and 60' base paths.

MAJOR/70:

Also recommended for ballplayers ages 11-12 with the opportunity for 9's-10's to play as well. Featuring a 50' pitching distance and 70' base paths. This division offers a tournament trail competition from District through World Series.

***Please Note:** The age groupings listed above are recommendations. Local leagues can set their own age groupings for divisions based on their enrollment.*

BABE RUTH SOFTBALL DIVISION

Babe Ruth Softball

*Ages 6U, 8U, 10U,
12U, 14U, 16U & 18U*

Since its inception in 1984, Babe Ruth Softball has grown tremendously to become a premier softball program throughout the United States and Canada—and is also our fastest growing division at Babe Ruth League, Inc. Babe Ruth Softball prepares our athletes for playing in high school, college and beyond.

Designed for girls ages 4-18, age divisions offered include: 6 & Under, 8 & Under, 10 & Under, 12 & Under, 14 & Under, 16 & Under and 18 & Under. The primary emphasis of Babe Ruth Softball is on education, skill development, participation for all levels of ability, and of course, having fun.

A special highlight of Babe Ruth Softball is its annual tournament trail. Tournament teams from each local league are eligible to participate in District competition with winners advancing to the State and Regional levels.

For all Softball Divisions, we have a National Invitational Tournament that any Babe Ruth regular season or tournament team is welcome to sign up and participate in.

BAMBINO BUDDY-BALL DIVISION

Bambino Buddy-Ball

Ages 5-20

The Bambino Buddy-Ball Division was created specifically for organizations who wish to charter a league for physically and/or mentally challenged individuals with special needs. We've created a fun environment so they may experience the exhilaration of playing competitive baseball or softball.

It works by partnering up a "buddy" with the player to help them swing the bat, round the bases, catch a ball, etc. There are no restrictions to the age of the "buddy." A Bambino Buddy-Ball team may be comprised of players ages 5-20 or older.

The Bambino Buddy-Ball Division allows our challenged or special needs athletes to develop confidence and positive self-esteem. It allows them to be part of organized sports and assists with physical fitness as well as social skills.

The joy and emotion participants experience is like no other. Our Bambino Buddy-Ball Division is an emotionally rewarding and memorable experience for everyone involved!

BABE RUTH ALUMNI ASSOCIATION

The purpose of the Babe Ruth Alumni Association is to advance the general welfare and support the needs and mission of Babe Ruth League, Inc. through engaging alumni, friends, and partners.

Our goal is to help young people meet the challenges of adolescence and adulthood and to encourage their drive for personal excellence and achievement.

Since its inception, the Babe Ruth League Alumni Scholarship Program has awarded over \$500,000 in scholarship funds.

The young athletes we serve come from a variety of backgrounds and circumstances. It has become increasingly vital that we ensure resources are available to support their educational needs.

Each year, we receive many outstanding applications and equally exceptional recommendations, making the scholarship selection process very difficult. It is our goal to generate more funds so we can accommodate more applicants.

ASSEMBLING YOUR TOURNAMENT CREDENTIALS

STEP 1:

Access your account at BabeRuthLeague.org. Your league president or appointed officer will be able to help you with gaining access to your account.

STEP 2:

Start your Credentials book by using a 1/2" ring binder that you can find in an office supply store.

STEP 3:

Place clear sheet protectors for the documents inside the binder.

STEP 4:

Insert your league's LOE (Letter of Eligibility). This is approved by your State Commissioner and available once approved for printing from your League Portal. If you don't have the option to print the LOE, contact your State Commissioner. Commissioners will not be able to approve LOE's until after June 5th of each year. See LOE section for step-by-step instructions on obtaining your LOE.

STEP 5:

Insert a copy of your SportsEngine tournament team roster in the binder. If you have any Add/Drops that are made on your tournament roster after June 30th, please be sure to put the revised approved roster in front, keeping the original roster in the binder. Quick Note: You must have an official, submitted roster from your league's affiliated SportsEngine HQ site. Only Add/Drops accompanied by a letter from Headquarters giving specific approval will be valid. Also, per Rule 11.02b, "Players, manager, and coaches may be replaced between tournament levels, but a league may not add players after submitting a team roster at the first level of tournament play. Babe Ruth League strongly recommends each league take a full roster of players into tournament competition."

STEP 6:

Insert a copy of your league's Certificate of Insurance for Accident and Liability Insurance. If you have Babe Ruth insurance and your league took both Accident and Liability coverage with Babe Ruth, they will both appear together on the certificate form.

STEP 7:

Managers and coaches are not required to submit a paper copy of their APS certification or coaching education certification, as it is addressed in the Eligibility requirement to submit rosters to Babe Ruth League via their affiliated SportsEngine HQ site. Visit baberuthcoaching.org for information on how you can enroll in this superb training program for coaching education.

STEP 8:

Insert Consent for Treatment forms. You can print out Treatment Forms from the Babe Ruth Website. Quick Note: Manager of the team should have each parent complete and retain a copy in case it's needed, beginning with state level tournament play. The Consent for Treatment form can be found at baberuthleague.org under Resources or click [here](#).

STEP 9:

Place a printed copy of your team photo, in uniform, in your binder. Please remember that this photo may also be used for program books and other publications as you advance in the tournament trail. Make sure to have a good photo taken and have a caption included with the photo.

STEP 10 CHECKLIST:

- Did I order Official Emblems or the Cap Emblem option for my players and coaches?
- Do I want to order District, State or Regional Champion and Runner-Up Pins?
- Does my team have the schedule for games as well as the contact numbers for the host league and tournament director?
- Do my team managers and coaches have rule books?

The Local League President will certify upon submission the following:

- All information (contact numbers, spelling of names, etc.) is correct.
- Player birthdays have been certified and are correct.
- All Players and Managers have met all other rules and regulations of Babe Ruth League.

- Managers and Coaches have met the requirements of the Safe Sports Act.

COACHING EDUCATION & CERTIFICATION

There is no one single action that can have more of a positive impact on our players than our managers and coaches. Because they are the ones who spend the most time interacting with our participants, it's imperative we constantly look to improve their skill set through proper (and required) training and certification.

The Babe Ruth League Coaching Certification Program is being provided by the American Sport Education Program and consists of online courses, including: "Coaching Youth Baseball" and "Coaching Youth Softball." Babe Ruth League, Inc. exclusively endorses these online courses.

Those completing the course with a score of 80% or better, will receive the Babe Ruth League Coaching Certification Program certification for baseball or softball.

What is the Babe Ruth League Coaching Education Program requirement?

Since 2008, the requirement has been that all baseball and softball coaches affiliated with either organization must become certified.

More than 15 years ago, Babe Ruth League partnered with leading coaching education provider Human Kinetics Coach Education to develop and deliver online courses for Babe Ruth League. Since then, nearly 250,000 baseball and softball coaches have earned their certification through the courses. This education helps ensure Babe Ruth League coaches have the knowledge and tools needed to provide athletes with the most positive sport experience possible.

The "Coaching Youth Baseball the Babe Ruth League Way" Online Course and "Coaching Youth Softball the Babe Ruth League Way" Online Course present the fundamental coaching concepts, responsibilities, and the most important coaching points of the major skills and tactics of youth baseball and softball.

To get your certification, begin by purchasing the course. Course access instructions will be emailed to you immediately, and when you have completed the course, you can print a certificate of course completion from the website to document your achievement and submit to your league administrator.

THE BABE RUTH LEAGUE BRAND

The Babe Ruth League Logos

The Babe Ruth League, Inc. brand was designed to present a consistent, recognizable image to both honor and emulate the high level of play by the immortal George (Babe) Herman Ruth. The logo consists of four principle elements: the name of the

organization in a clean, bold typeface; a baseball with seams to symbolize the sport; a baseball diamond to represent the playing field; and a silhouette of Babe Ruth in the iconic full swing. These elements are in fixed positions and must never be removed or altered.

Approved Babe Ruth League Division Logos

You can access the Babe Ruth League Logo Center from your League Portal Account.
